

**STUNNER DRUMSTICKS ARE MANUFACTURED OUT OF THE FINEST HORNBEAM (BLACK OR WHITE). THANKS TO IT'S EXCELLENT COMBINATION OF DENSITY, FLEXIBILITY AND RESISTANCE, WHITE / BLACK HORNBEAM IS THE WOOD OF CHOICE FOR DRUMSTICKS**

**AFTER BEING SAWED AND DRIED THE WOOD IS TURNED INTO DOWELS AND THEN IT IS CUTED ON THE HIGH SPEED LATHES. IN EVERY STEP OF PRODUCTION STICKS ARE TESTED FOR QUALITY. FINALLY, THEY ARE ROLLED FOR STRAIGHTNESS, MATCHED FOR COLOR, BALANCE AND DENSITY.**
